We have variety on tap this Thursday-something for everyone!
Take a break from Rodeo mode and join us as we sample five fun brews!

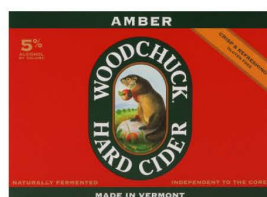

Independence Brewing Co. –Austin Amber Ale

Austin Amber Ale is Independence Brewing Co.'s flagship brew. A special blend of malted barley, lightly to darkly roasted, creates layers of toasty sweetness, balanced by the citrusy notes of Cascade hops. Burnt orange with a laid back finish, this is the beer of Austin. This beer, available year around, pairs well with pulled pork, wings, grilled meat and pizza. ABV 4.9%

Rahr and Son's Iron Thistle Scotch Ale

Iron Thistle is Rahr's first National Grand Champion winner and a 2012 GABF Silver Medal winner. This dark, Scottish ale has a bold taste dominated by a smooth, sweet maltiness balanced with a low, hoppy bitterness. This brew pairs well with roasted meat and grilled vegetables! ABV 8 %

Woodchuck Hard Cider Amber

Woodchuck Hard Cider Amber was Woodchuck's first brew! This cider, crafted in a two-car garage back in 1991, boasts the same recipe today as the first hand-filled bottle. Amber is a traditional cider boasting big red apple taste. Made from a blend of apples and fermented with champagne yeast, it is expertly crafted with a medium body, golden hue, and refreshing clean apple finish. Pairs well with smoked poultry. ABV 5%

Oculito

A unique beer infused with blue agave and citrus flavor and blended with lager aged on tequila staves to deliver a distinctive taste experience. Oculito has the social and inviting personality of beer but adds the bold, daring nature and seductive spirit associated with tequila. Perfectly paired with guacamole dips and spicy foods, Oculito has a an ABV 6%.

Budweiser Chelada Picante

This beverage merges two incredible tastes: a refreshing Budweiser and the intensely zesty jalapeno kick of Clamato Picante. To best enjoy, gently rotate a chilled can once before pouring! Serve cold, or poured over ice, for an extra kick, season salt your rim and serve with a crispy bacon stir stick or celery stalk. ABV 4.2%
