

REGAIN CONTROL

of your **weight** and your health.

If you struggle with obesity and complicating health issues, the Shannon Weight Loss Center wants to help you. Join us as Kenny Jastrow, III, MD, Shannon General Surgeon, discusses the Shannon Weight Loss Center and the services it offers to patients, including bariatric surgery.

Wednesday,
March 27 | 6 pm

**Shannon Women's & Children's Conference Room
201 E. Harris**

The discussion will conclude with a Q&A session to help answer your important questions. Bariatric surgery patients will also share their testimonies and answer questions. Additionally, a patient account representative will be available to check insurance coverage. Please bring your insurance card. Anyone interested in the topic is invited to attend this free seminar. Seating is limited.

Please call 325-657-5064 to reserve a seat.
