#### KSI vs Fournier: What has been said?

"I can't wait to show the world what Jake Paul couldn't, knock out a pro boxer," KSI said.

"Each fight, people are seeing a better KSI and I'm honestly scared for Fournier because once I land my right or left hand on his chin, it's night night.

"As soon as people enter the ring with me, they realise they are in hell. And they either leave the ring bruised, battered or sleeping. In the ring, I am an evil man."

Fournier added: "This is huge, it's as big as it gets, it's on DAZN pay-per-view at Wembley, against one of the biggest global superstars, not just in boxing.

"But I am going to break a lot of little hearts when they see KSI unconscious on the canvas.

"This is way too soon to fight me, but the deal is done, and just like Jake Paul, he will find out that when he gets into the ring with a real boxer, it's a whole different ball game. He is in for a rude awakening."

Who is KSI fighting next?

KSI's next fight is not yet scheduled, but for some time he has been exchanging words with Jake Paul in hopes of arranging a bout.

KSI fought Logan Paul, Jake's older brother, to a draw in an amateur fight in 2018, before outpointing the American in a professional rematch a year later.

Logan Paul went on to fight boxing legend Floyd Mayweather in an exhibition contest in 2021, while Jake has been much more active – going 6-1 as a pro after stopping KSI's brother Deji in his amateur debut in 2018.

Last time out, in February, 26-year-old Paul suffered his first loss, a points defeat by Tommy Fury. The YouTube star is now set to box ex-UFC fighter Nate Diaz in August.
